Project Name: Smart Waste Management System For
Metropolitan Cities

Maximum Marks: 2 Marks

I am	I'm trying to	But	Because	Which makes me feel
the waste collecting authority	collect the waste from the garbages.	in current waste management system doesn't know about the level whether the garbage is full or not.	due to unclean waste bad smell may arise it causes unhygienic gases and it leads to air pollution and diseases easily may spread.	design a smart waste collection system .Then its easy to dispose and collect the waste efficiently.
